

Favor has everything to do with you and everything to do with God!

[Noah found “grace-” favor in the eyes of the Lord. There had to be something Noah did that captured the attention of God. Joseph had the favor of God upon his life even in difficult times. “Favor; like Grace is something we don’t deserve, but is it something that can be given because of God’s pleasure with how we live our lives?”]

Favor is determined by your:

1. **Footsteps** – Where you’ve been - where you are going.
2. **Attitude** – How you react to where you’ve been and where you are going. [gratitude is an attitude of gratefulness]
3. **Voice** – The words you speak can determine where you’ve been and where you are going.
4. **Obedience** – Obedience gets God’s attention. It unlocks the opportunity to stay where you are or be where you need to be. [obedience is greater than sacrifice]
5. **Relationships** – Your relationship with God and your relationship with God determines where you’ve been, where you are and where you are going.
