

What a God – He is Awesome

Isaiah 46:9

GOD IS - SO...

1. Psalms 19:1 **LOOK UP;** at the sky on a clear night. [100 billion stars-our galaxy 1 of billions]

Who can conceive such a universe?

- Drive to the sun @150mph / 365-24/7 = length of trip 70 years
- Drive to next closest star system = 15 million years
- 600mph on a jet to the moon (rest) = 16.5 days
- 600mph on a jet to the sun (catch some rays) = 17 years
- 600mph on a jet to Pluto (have dinner) = 690 years
- **After 7 centuries you haven't left our solar system much less our galaxy.**

2. Romans 2:15 **LOOK IN:** “Common virtues connect us” – “You aren't alone with your principles”

A universal standard exists – We may violate or ignore it, but we can't deny it

- Even people who don't recognize God recognize his law
- Every culture has frowned upon injustice and celebrates courage
- Every culture has punished dishonesty and rewarded nobility
- Even practice fundamental justice toward their own children
- **When atheists decry injustice, they can't think God for the ability to discern it.**
- **The conscience is God's fingerprint, proof of His existence.** [Thief – Sneaks, why?]

3. Psalms 90:2 **LOOK OUT:** (Jn. 5:26) “Life is to God what wet is to water and air is to wind”

HE IS NOT JUST ALIVE – HE IS LIFE ITSELF

He always is, He always has, and He always will be

- **He was before...** psalms 90:2 says, before the earth, mountains or world from everlasting to everlasting, You are God.
- **God never began and He will never cease.** Job 36:26 says, the numbers of His years is unsearchable.
- **Vacuum every spec of sand from South Beach to Sahara and let the mountain particles represent His existence multiply the particles by a billion and it still won't represent a fraction of His existence.**
- Romans 16:26 says He is the eternal God.
- **He invented time and owns the patent.** Psalms 74:16 says, the day and night is yours.
- **God is Holy...** Isaiah 6:3 “Holy, Holy, Holy is the Lord of hosts” [sinless angels covered themselves in the presence of God.

**NO NEEDS - NO AGE – NO SIN. NO WONDER HE SAID,
“I am the Lord God, and there is none like me.”**
